The prayer vigil scheduled to start today has new details. **PLEASE see the link below and join us. Share with everyone you know. It will start today at 8pm-4am ET.** This will be a huge event spanning the globe. 8 hours of prayer and information about the devious WHO/UN and their quest for global governance using One Health (which has already been set up in most states and at the CDC) which is an integral part of the Pandemic Treaty. **LINK TO EVENT DETAILS**

Here is a notice that went out late last night from Dede Laugesen (Sovereignty Coalition):

My friends,

You are invited to join a burgeoning gathering of faith leaders and freedom fighters internationally for #FreedomPrayer.

Sunday night, 8 p.m. to Monday morning 4 a.m. ET on X Space with Host @BillEllmore and Dr. Katarina Lindley, Frank Gaffney, myself and many, many others who will be on the line to pray for freedom, sovereignty and humanity.

Let your freedom prayer ring around the globe! On X Space, you can request the mic so you can pray along as well.

For eight hours we will lift thousands—maybe millions—of voices in prayer to rebuke the spirit of global centralized governance, mass population control and mandates, land and resource controls, hyped-up climate catastrophes, digital IDs, social credit scores, pandemic propagation, pharmaceutical profiteering, weakened security apparatus, supply chain chaos, inflation, historic wealth and population redistribution, and the LOSS OF ALL FREEDOM being planned for us at the WHO's World Health Assembly starting at 10 a.m. Monday, May 27 in Geneva, which is 4 a.m. ET.

We'll have faith leaders offering prayer with us from across the United States, Canada, Europe, Israel, Africa and elsewhere. It will be a phenomenal, free-flowing, Spirit-led call to prayer.

The souls of those that we will somberly remember on Monday, Memorial Day here in the United States, gave their very last breath to protect and defend this sovereign nation.

Will we? That's the question before us. Will we now pick up that cross and follow on the way?

Why now?

Because CCP-puppet Dr. Tedros (not a doctor) wants to be the world's health dictator and he's well on his way to accomplishing that goal through something nefarious in name and devious in deed—#OneHealth. Our loopy leader, CCP-puppet Joe Biden, is eager to surrender sovereignty to the global elite and their Communist taskmaster, Xi Jinping. In fact, he's leading the clown parade.

Rushed negotiations over the Pandemic Treaty and the IHR amendments have allegedly failed to reach consensus. That a good sign!

But, c'mon man, they're just hiding the football. They're not giving up. No way! They're too close to the end zone. They smell victory.

All along they've been negotiating in bad faith, breaking their own rules, and making deals in backrooms keeping prying eyes from view. The lust for power is strong in them. They want it and they want it real bad. This is their "Precious." It's the golden ring of power.

What can be done, you ask?

Sovereignty Coalition and its valued experts and influencers have led 49 U.S. Senators, 24 Governors, 22 state Attorneys General, a large coalition of international officials, and over 63k U.S. citizens to formally voice their objections to the W.H.O.'s plan for tyrannical control over all life on planet earth. And, state legislators are bringing—and passing—bills to protect their constituents from U.N./WHO overreach. Healthcare is a state's right after all.

Now, it is time for all that is done in the dark to be dragged into the light. Now it is time for us to bring it all to our Heavenly Father in prayer.

We really must pray and rebuke the notion of One Health.

This new world ideology driven by the UN/WHO is already embedded in our state and community health departments. There are One Health offices in every government agency at every level. They're in our public schools policies. They've been forward deployed.

It's like SDGs and DEI. Those also were developed, planned, and deployed by the unelected, unaccountable bureaucrats at the UN/WHO. Indeed, U.S. taxpayers are already funding this Marxist tool of depopulation and destruction.

They will use this to diminish humanity to the level of plants, bugs, animals, and the earth. The life of each being indistinguishable in value. For the common good, they argue that humanity must be managed for the equitable interest of all other life. We must be contained, managed and ultimately culled like cattle.

Truly, we are battling a behemoth. That's why every freedom-loving person must add the weight of their prayer pebble to the balance of power before us.

Come Holy Spirit! Renew the face of the earth by the light of faith.

Seriously. Stay up and pray with us on X Space. Get informed. Get connected. Let's unite in prayer like never before because the times we are living in are like never before.
